We are truly saddened by the passing of Dr. Peter Lyons, a Distinguished Fellow at the Institute of Energy Economics, Japan (IEEJ). Ever since his nomination as a Distinguished Fellow, in January 2016, Dr. Lyons actively supported and promoted IEEJ's studies and research on international energy issues. His contributions included insightful articles and opinion papers as well as entertaining presentations at IEEJ's symposiums. We offer our deepest condolences to his family and loved ones.
