

# The 1st IEEJ Webinar for the World "IEEJ Outlook 2021"

21:00-22:00, 6 July 2021 (JST)

"IEEJ Webinar for the World" is a webinar intended to, in English, offer not only our members but also stakeholders of think-tanks, international organizations, and other institutions from overseas with IEEJ's existing researches and analysis on global energy agendas such as carbon neutrality and other conundrums. The first and foremost objective of this webinar is to discuss with participants from all over the world a set of energy challenges faced with Japan and Asian countries. The first event on July 6<sup>th</sup> was implemented only for invitees since it was just on a trial basis. Later on, we are going to open the floor of every "IEEJ Webinar for the World" to all our members as well as our foreign stakeholders.
