Lecture Meeting

International Conference Hall, 11th Floor, Keidanren Kaikan, Tokyo, Japan
September 25th, 2002

Hosted by: The Institute of Energy Economics, Japan (IEEJ)

Purpose of Meeting:

Mr. Robert Priddle, Mr. Robert Mabro, and Mr. Johnathan Stern will visit Japan to attend the 8th International Energy Forum held in Osaka on September 21-23, 2002. Taking this opportunity, IEEJ will host a lecture series. Mr. Priddle, Executive Director of IEA will speak on the world energy outlook for 2002. Mr. Mabro will speak on the international oil situation with an emphasis on the Middle East and Russia. Mr. Stern will speak on natural gas in Asia focusing on the Sakhalin Islands and Japan. Mr. Mabro and Mr. Stern are prominent authors who will submit background papers on oil and gas issues to IEF.
