

The 18th IEEJ Webinar for the World

We are pleased to host the 18th IEEJ Webinar for the World. "IEEJ Webinar for the World" is a webinar which is intended to, exclusively in English, offer not only our members but also stakeholders of think-tanks, international organizations, and other institutions from overseas with IEEJ's latest research and analyses on global energy agendas such as carbon neutrality and other conundrums surrounding us.

In the upcoming webinar, we will feature "Japan's 7th Strategic Energy Plan". We will present a quick overview of Japan's 7th Strategic Energy Plan which is expected to be decided by the Cabinet in February 2025. We are very much looking forward to your participation.
