

The 21st IEEJ Webinar for the World

We are pleased to invite you to the **21st IEEJ Webinar for the World**.

The IEEJ Webinar for the World, conducted exclusively in English, aims to share the IEEJ's latest research and analysis on global energy issues—such as carbon neutrality and other pressing challenges—not only with our members but also with stakeholders from think tanks, international organizations, and institutions worldwide.

The upcoming session will feature:

“The IEEJ Outlook 2026: Challenges and Opportunities for Decarbonizing the Energy Sector in Emerging Economies.”

It will include two presentations:

- (1) Evaluating the System Integration Costs and Deployment Potential of Variable Renewable Energy
- (2) Various Pathways for Decarbonizing the Road Transport Sector in the Global South

We look forward to your participation.
