

Northeast Asia Petroleum Forum 2009 (Keidanren-Kaikan, Tokyo)

(With simultaneous translation of Japanese, Korean and Chinese)

The Institute of Energy Economics, Japan / Petroleum Association of Japan

October 26 (Mon) (Diamond Room, 4F)			
9:30~10:15 Opening Session			
Chair	Mr. Kanekiyo, Kensuke, Managing Director, IEEJ		
Welcome Adress	Dr. Naitoh, Masahisa, Chairman and CEO, IEEJ		
Greetings	Mr. Wu, Mengfei, CFO, CNOOC; Honorary Director of Petroleum Economics Commission of Chinese Petroleum Society		
	Dr. Lee, Won-Woo, Vice President, KEEI		
10:15~10:30 Coffee Break			
10:30~12:15 CEO Session Challenges and Strategies of Oil Industry in Northeast Asia			
Chair	Dr. Toichi, Tsutomu	Senior Managing Director IEEJ	
Japan	Mr. Tembo, Akihiko	Chairman, Idemitsu Kosan Co., Ltd. cum President, Petroleum Association of Japan	Overview of Current Japanese Oil Industry and Important Issues in NE Asia
Korea	Mr. Oh, Kang-Hyun	Chairman, Korea Petroleum Association	Current Status and Challenges of Korea's Oil Industry
China	Mr. Wang, Yilin	Vice President, CNPC Honorary Director of Petroleum Economics Commission of Chinese Petroleum Society	Deepening Energy Cooperation, Facing Challenges Together
12:15~14:00 Lunch			
14:00~16:00 Session-2 Energy Outlook of World and Asia			
Chair	Dr. Kim, Jin-Woo	Managing Director Center for Energy Information and Statistics, KEEI	
China	Ms. Zhang, Yinghong	Deputy Director Global Resources and Strategic Research, RIPED, CNPC	Northeast Asian Energy Situation and Multi-lateral Reciprocal Cooperation Outlook
	Dr. Lu, Chuanyi	Associate Professor Institute of Energy Environment and Economy, Tsinghua University	The Impacts of Energy Technology Cooperation Among North-East Asia Countries on Low Carbon Development of China: Base on CGE Analysis
Japan	Mr. Ito, Kokichi	Managing Director IEEJ	IEEJ Asia/World Energy Outlook 2009
Korea	Dr. Jung, Yong-Hun	Executive Director Energy Policy Research Center, KEEI	Recent Energy Outlooks : A Review of Four Outlooks
16:00~16:20 Coffee Break			
16:20~17:50 Session-3 Country Report: Mid-term Petroleum Demand Outlook			
Chair	Ms. Chen, Fanghong	Full-time Director, M&A Department, CNPC; Standing Deputy Director of Petroleum Economics Commission of Chinese Petroleum Society	
Japan	Mr. Hata, Nobuo	Managing Director, Petroleum Association of Japan	Mid-term Oil Demand Outlook in Japan
Korea	Dr. Kim, Soo-IL	Research Fellow, KEEI	Mid-Term Outlook on Petroleum Demand of Korea
China	Mr. Xu, Yongfa	President, Research Institute of Economics and Technology, CNPC Deputy Director of Petroleum Economics Commission of Chinese Petroleum Society	Outlook of China's Oil Demand for 2020
18:00~ Welcome Reception (Pearl Room, 5F)			

October 27 (Tue) (Diamond Room, 4F)			
09 : 00~10 : 30 Session-4 Outlook and Topics of Upstream Sector			
Chair	Mr. Kagawa, Yoshiyuki	President, Mitusi Oil Exploration Co., Ltd.	
Korea	Mr. Koo, Cha Kwon,	Head of Global Oil Research, KNOOC	Korean Oil & Gas Upstream Sector; Its Status and Outlook
China	Mr. Zhou, Wen	President, Shengli Oil field Economic R&D Institute SINOPEC	The Study for the Development Practice and Law of Onshore Old Oil Fields in Eastern China
Japan	Mr. Shoji, Taro	Director, Arabian Oil Company, Ltd.	Alliance Strategy for Upstream Industries in Northeast Asia
10 : 30~10 : 45 Coffee Break			
10 : 45~12 : 15 Session-5 Trends and Prospects of Natural Gas in Northeast Asia			
Chair	Mr. Liu, Yan	Deputy Director, Development Planning Department SINOPEC; Deputy Director of Petroleum Economics Commission of Chinese Petroleum Society	
China	Mr. Lin, Shuxin	Fellow, Energy Economics Institute CNOOC	Trend of Northeast Asian Natural Gas Market after Financial Crisis
Japan	Mr. Yasuoka, Satoru	General Manager, Gas resources Department Tokyo Gas Co., Ltd.	The Outlook of Natural Gas Market in Japan
Korea	Mr. Han, Won-Hee	Senior Researcher, Center for Gas Economics and Management, KOGAS	Prospect of Korean Natural Gas Market
12 : 15~13 : 30 Lunch			
13 : 30~15 : 00 Session-6 Oil Product Market in Northeast Asia: Challenges and Prospects			
Chair	Mr. Lee, Moon-Bae	Senior Research Fellow, KEEI	
Japan	Mr. Yamakawa, Yoshikuni	General Manager, International Petroleum Business Department, Idemitsu Kosan Co., Ltd.	Outlook of Products Supply & Demand in Asia by country and by product
Korea	Mr. Jung, June-Young	Team Leader, Crude/Product S&T Team GS Caltex	The Outlook of Northeast Asian Oil Market
China	Mr. Wang, Gongli	President, PetroChina Planning & Engineering Institute Deputy Director of Petroleum Economics Commission of Chinese Petroleum Society	The Outlook of Refined Oil Product Supply and Demand in China and the Influence to Market of Northeast Asia
15 : 00~15 : 15 Coffee Break			
15 : 15~17 : 00 Session-7 Global Warming and Oil Industry			
Chair	Mr. Sugita, Masaaki	General Manager, Energy Policy Office, Corporate Planning Department, Idemitsu Kosan Co., Ltd.	
Korea	Mr. Lee, Won-Chul	Managing Director Korea Petroleum Association	The Setup Trends on National Greenhouse Gas Mid-term Reduction Goal of Korea
