

The 17th IEEJ Global Energy Webinar

This time, by being honored to host Mr. Steve Hill, Executive Vice President of Shell Energy, we will offer our regular webinar focusing exclusively on Shell's LNG latest outlook, "Shell LNG Outlook 2022". From 2017, Shell has updated their LNG outlook on a yearly term. In the latest edition, as always with their accumulated data of LNG industry as well their nurtured market knowledge, the oil major implements a thorough analysis of LNG market. In the upcoming event, based on the latest report, Mr. Steve Hill will make an insightful presentation.

In this session, you can expect for informative insights about LNG industry from the highly prominent expert. QA session is to follow the presentations. We are much looking forward to seeing you again in the 17th IEEJ Energy Webinar.
